Volume 9 Issue 2

April—June 2011

SCRPC Services, Inc. dba The Stock Pile 201 3rd Street NE, Canton Ohio

The Stock Pile has now diverted 1,000 Tons of usable building materials from being dumped into landfills!

You might think that this would call for a big celebration. You are right! Please, come join us at **The Stock Pile on Saturday, April 2, 2011** for an **Open House** in honor of this milestone.

We will be open our usual hours from 9:00am until 2:00pm, and there will be special activities throughout the day. Of course a celebration of this magnitude requires a cake, certainly a little popcorn and maybe even a hotdog or two. Parties should involve presents and this one will be no exception as everyone attending will receive an appreciation gift. Door prizes will be given out every half hour between 9:30am and 1:30pm!

Our mission remains providing materials for local residents to improve their property and to keep materials out of landfills. To that end, there will be workshops available to offer instruction on various projects. We hope to see you **Saturday, April 2, 2011** at **The Stock Pile** for our celebration!

Home & Garden Show Update

The Stock Pile (TSP) had a display booth at the recent Stark County Home & Garden Show, held at the Stark County Fairgrounds. The show was sponsored by the Stark County BIA and The Repository, and TSP gratefully acknowledges their support! TSP passed out a special coupon for 15% off purchases, good through June of 2011. Thanks to all who stopped by!

The Stock Pile is now on Facebook!

We are now part of the social media, and none too soon. Please, visit “The Stock Pile” on **Facebook** and “Like” us.

It is difficult to communicate with customers in a timely and cost effective manner. The **Facebook** page will allow us to inform you of many interesting items. An example is TSP obtaining a large quantity of brand name cabinets, most still in the shipping boxes from the manufacturer. The **Facebook** page will give you a chance to see items online, then come in and see if these items are what you are looking for.

We often hear that customers forget when Sweet Deal Day is and they miss the opportunity for additional savings. **Facebook** will give us the ability to send a reminder without incurring the cost of postage. Who knows, we might just start posting special coupons for slow business days.

Tell your friends about The Stock Pile, especially those that have an email address, and encourage them to join in!

Programmable Thermostat Rebate Program

Stark County received an Energy Efficiency Block Grant from the Department of Energy in late 2009 as part of the federal recovery act. Part of that program involves issuing \$25 rebates to homeowners and very small businesses (5 or less employees) outside of the city of Canton, when purchasing and installing a programmable thermostat. If you haven’t yet participated, go to www.rpc.co.stark.oh.us for more information or the application. You may also call Malia Watkins at 330-451-7405.

Neighborhood Stabilization Program Homes For Sale

Through the **Neighborhood Stabilization Program (NSP)**, several homes are for sale throughout Stark County that target homebuyers at 80–120% of median income. These homes have been rehabbed, and down payment assistance is available. For details about **NSP**, and to see pictures of the homes for sale, go to www.rpc.co.stark.oh.us.

Membership Renewal

- ◆ **Membership Renewal** is a grant requirement and **DUE** on your “**Issue Date**” anniversary.
- ◆ **Individual** Membership renewals are **DUE every year**.
- ◆ **Non-profit** Membership renewals are **DUE every other year**.
- ◆ Don’t miss out on membership perks by not keeping current.
- ◆ For more information or assistance in updating your membership, call **(330) 455-4585**.
