Lots of Windows, Light Fixtures and Fabric

TSP staff members keep track of inventory on a regular basis. As we closed out 2010, we were reminded by our numbers that we have quite a stash of various materials. Old windows are quite versatile and can be used to make greenhouses, tables, and decorative wall hangings of all kinds. We also have some beautiful fabric available that you might want to use for curtains, slipcovers, a comforter or even a tablecloth. A light fixture can be made new again with a coat of paint! A few websites with fun craft ideas are: <http://tatertotsandjello.blogspot.com>, www.readymade.com, www.ehow.com, and www.planetgreen.com.
