## Stark County Energy Efficiency Programmable Thermostat Rebate!

As part of the 2009 American Recovery and Reinvestment Act, the Department of Energy has a new program—the Energy Efficiency and Conservation Block Grant. One purpose of this program is to help communities improve energy efficiency in the building sector. The Stark County Regional Planning Commission (SCRPC) is operating this program for the Stark County Commissioners. One of the projects is to issue rebates to Stark County homeowners (outside of the city limits of Canton) that purchase programmable thermostats March 1, 2010 or later.

For an application or more information, go to [www.rpc.co.stark.oh.us](http://www.rpc.co.stark.oh.us) or contact: **Cliff Meidlein, 330-451-7904**

or **Malia Watkins, 330-451-7405** at the Stark County Regional Planning Commission.

## NSP Houses For Sale

Through the Neighborhood Stabilization Program, several homes are for sale throughout Stark County that target homebuyers at 80–120% of median income. The homes have been rehabbed and down payment assistance is available. For details of the program and to see pictures of the homes for sale, go to [www.rpc.co.stark.oh.us](http://www.rpc.co.stark.oh.us) and take a look. An 8-hour homebuyer counseling is required.

Through NSP, The Stock Pile has purchased and rehabbed a home at 500 East Street in Minerva, which is for sale for \$79,000. TSP is currently rehabbing a home at 4435 Millport SW in Canton Township, and it is listed at \$119,500. Buyers must qualify for conventional financing. **Tony Flex of Hayes Realty is handling TSP's homes. Contact him at 330-936-4454.**
