*** Helpful Household Hints ***

Look for **ENERGY STAR** products for your home. Choosing energy-efficient products can save families about 30%, or \$400 a year. **ENERGY STAR**

is the government's backed symbol for energy efficiency.

More steps you can take:

- Turn off appliances and lights when you leave the room.
- Use the microwave to cook small meals. This uses less power than an oven.
- Purchase "green power" for your home's electricity (contact your power supplier to see where and if it is available).
- Repair leaky air conditioning and refrigeration systems.
- Cut back on heating and air conditioning use.
- Install a programmable thermostat in your home.

Need Septic Repairs? \$\$\$ is Available!

Work may include repair or replacement of your failing septic system.

Homeowners living in Stark County may qualify for an 85 or 100% grant.

It's simple to see if you qualify!

Contact The Stark County Regional Planning Commission at 330-451-7389 to see if you qualify.

Available through the Stark County Community Development Department utilizing Ohio EPA funding.

Neighborhood Stabilization Program (NSP) Homes For Sale

Through the NSP, several homes are for sale throughout Stark County that target homebuyers at 80-120% of median income. These homes have been rehabbed, and down payment assistance is available. For details & pictures, go to www.rpc.co.stark.oh.us.
